Computer Studies

Workshop:

Workshop for IT workforce demand and
education

Skopje, May 2006

Workshop for IT workforce demand and education

MASIT Open days and SEEITA conference is regional conference organized by Macedonian Association of IT companies. A specialized session was organized for “Workforce demand and IT education” and we had several presentations. Unfortunately Prof. Dilip Patel and Prof. Kostas Margaritis were not in position to attend the conference and present their experiences in IT education. The scheduled agenda was:

Thursday 11th May - Session 1: IT Workforce demand and IT Education

Prof. Dilip Patel	South Bank Univ. London	Overview of Comp. Science and IT education in UK
Prof. Rumen Arnaudov	Technical Univ. Sofia	Computer Science and IT education in Bulgaria
Prof. Ivan Milentijevic	Univ. of Nis	Computer Science and IT Education in SCG
Prof. Kostas Margaritis	University of Macedonia, Thessaloniki	Carrier Space analysis and Technology Management Education in Greece
Prof. Pece Mitrevski	Univ. St Clement Ohridski Bitola	Overview of Computer Science and IT education in Macedonia
Prof. Vlado Radevski	South Eastern Europe Univ. Tetovo	
Goce Armenski	Univ. Ss Cyril & Methodius Skopje	
Prof. Marjan Gusev	Univ. Ss Cyril & Methodius Skopje	Overview of Comp. Science and IT education in Europe

The presentations were in the scope of realization of dissemination activity of the project.
